Notes

- 1. Northeast is not a fully developed state, hence the hotels may not be upto the mark. 2. This trip is designed for travellers who can withstand long travel hours and rough road conditions along the journey. 3. Sometime there can be power cut. Even though the hotels have power backup but services may be limited due to power cut. (For remote areas) 4. AC will not work in winter. 5. Many hotels do not have working wifi/network(although wifi device is installed) 6. TV might not be working in all rooms. 7. In remote places like Tawang or Mechuka – hotels shuts off the generators by 10 PM with only 1-2 back up light bulbs. 8. Affordable hotels do not provide buffet breakfast – in some hotels they provide limited 2 – 3 items in the breakfast table. 9. Affordable hotels do not have staff working beyond 9 pm (Please ask them all the items which you might require during the night stay) 10. If there is issue with the room, do discuss and inform the tour Co-ordinator and if possible report it instantly. It is impossible for the tour Co-ordinator to resolve last night's problem in the morning or 2 days later. 11. Please try to keep the driver's number – as he is the first point of contact in your medical emergency. 12. In 3* hotels, not all hotels provide night stay for the drivers, so they have to pay bill for their accommodation and if possible try to allow them a good night sleep so that they stay fresh during the day time while driving on the hill/mountain roads. 13. For breakfast, please discuss with the hotel staff/manager previous night – so that you stay prepared about the menu items beforehand without getting surprised at the breakfast table. 14. Ask your travel agent – the contact number of your tour Co-ordinator as he is the first point of contact in resolving any issue with hotel or driver. 15. Please try to discuss the next day itinerary with the driver post night as he is the best source to give you the time. We ground handlers always ensure to give you an experienced driver in that route. 16. Any change in itinerary suggested by 3rd party or driver please discuss it with the tour Co-ordinator or your tour operator and have a clear picture – in many instances, guest went astray listening to 3rd party and later tour Co-ordinator or tour operator will be helpless as every guest has a limited time in their hands. 17. Vehicle cannot be used until 8 PM (anyone 1 day exception) 18. Please let the guest give one time to driver – if they call the driver morning 7 am and get out of the hotel at 10/11 am, and then get stuck in the traffic and they say driver has not informed them the time + he took them though the heavy traffic lane and could not complete their sightseeing – it will not be accepted. 19. Please try to communicate with driver about the days sightseeing route previous night and try to maintain the allocated time duration given by the driver, so that guest can complete the sightseeings. 20. If any family visit need to be done please communicate with the driver beforehand so that driver stay prepare and he can inform the transporter regarding the change of route/additional distances covered. If they skip sightseeing and want to use it for personal family visit please try to inform the driver beforehand. 21. Usually duty time starts from 7 AM to 8 PM - any additional usage required please be friendly and let your travel agent know about it so that transport manager can inform the driver accordingly. 22. Additional KMS apart from the given itinerary will incur additional charges. 23. All the charges for food or stay are already paid for the driver – if the driver demands any of these – please inform your travel agent. 24. Guests should be very punctual, in case driver arrives before the given time from the travel agent. 25. If the guests are solo English speaking (as guest are inbound) – our driver is non-English speaking. In case of any assistance please let the travel agent know the status.
